

टोतो, ·पितो·, ·प्रितो·

Day 2

छ्ये· - 'book'

- टोतो - The middle dot at the end of the word marks that this word has a FALLING tone. Without a dot at the beginning, we know that it is a LOW tone word. छ्य is the “chh” sound in the Nyeshangte alphabet.
- ·पितो· - Can you hear the tone fall as you say this word? Now compare it with the word ·च्ये·, a HIGH-FALLING word. Say both of these words outloud 3 times.
- ·प्रितो· - Write छ्ये· 3 times with the tone dot. Say these other Nyeshangte words that have the छ्य sound:
छ्याप, छियप, छ्युकु, छ्योङ्प·, आछ्येर्प, ओछ्ये
