

# टोतो, ·पितो·, ·प्रितो·

*Day 4*

·मि - 'eye'

·मि· - 'person'

- . टोतो - The first word ·मि has a HIGH tone, so it is written with one high dot at the beginning. The second word ·मि· has a HIGH-FALLING tone, so it is written with a high dot at the beginning and a middle dot at the end.
- . ·पितो· - Can you hear that both of these words have the same letters but different tones? Say both of these words outloud 3 times.
- . ·प्रितो· - Write these words with their tone dots 3 times.  
Write down other words in the Nyeshangte language that have the same letters but different tones.
