Nine Months in Mom's Womb

Nine months in the womb Mom carried me.
With great priceless love Mom took care of me.
Holding onto my hand, she taught me how to walk.
With great priceless love Mom took care of me.

Going to work she didn't dry her sweat,
Laying me down on her lap, she nursed me.

Not putting it in her own mouth a handful of wheat dough,
She brought it for me.

Mom needs to pay whenever there's debt.
With great priceless love Mom took care of me.

On Mom's lap it was like seeing an angel,
With great priceless love Mom took care of me.

For me to not get cold
Mom put me on her chest.

Mom's sacrificial life,
Faithfully caring for me, Mom was happy.
To all mothers who raised us,
I pray for your long life.

Thank you, Mom, Thank you, Mom.
Thank you, Mom, Thank you, Mom.

Thank you, thank you, Mom.
Mom, thank you.
Thank you so much.
There is nothing
like your sacrificial love.

Mom, thank you.
Thank you so much, Mom, thank you.
